

Warm Winter Wishes to and from Kidspeech

December 2021

We are delighted to share a gift we received this season. It is a sketch entitled “Kidspeech Office”, 2021, Graphite and Acrylic on paper.

“During the pandemic, I explored local places that have meaning in my life. I document them by drawing and painting. My sketch of the Kidspeech Office is part of this exploration since it has meaning to me since I was an infant.

My coach helps me to learn about art and explore my creative skills.

*I am an artist and I live in Toronto with my family. **Justin**”*
